

Who are we? And what do we do?

# Our history

And who are we today

Foreign Communities of Alba Association (known under trading name 'FCA Association') is registered under <a href="SC052771">SC052771</a> with the <a href="OSCR">OSCR (Scottish Charity Regulator</a>). We are a charity focused on Sports, Recreation, Integration and Removing Social Isolation. We are operating in West Lothian, Falkirk and North Lanarkshire councils in Scotland.

Back in late 2021 five of our founders couldn't find many sports activities for Poles in Falkirk, Bathgate and Whitburn area. They felt a bit depressed, some had addiction history. To not fall into bad habits, they decided to start a football group. It was a stunning success, given that it offered not only sports, but also socialising. People made friends, families met.

Today we are an active group, which has about 300 members. We have three football trainings a week. On top of that a very big hiking group and a lot of volunteering opportunities. We've done loads of socializing and charitable events. Many of us found new friends. We are planning for a bicycling group, DIY group, chess group, a community house and a women football section ... and more. Through our group we have also integrated with locals and this tremendously helped removing the feeling of loneliness and removed the cultural barriers. In some cases helped in finding better jobs.

We are open for anyone to join.
